subject: Please: Now is Not The Time To Raise APS Electric Rates

cc 8, 2011

Commissioner Gary Pierce
100 W. Washington - 2nd Floor
Phoenix, AZ 85007

Dear Commissioner Commissioner Pierce,

Please do not grant APS' request to raise our residential electric rates.

In an economic recession is not the time to increase household costs.

Thousands are out of work, costs for food, transportation, and other household expenses are going up. Many homes are in foreclosure.

Have a home and a Business. Just trying to keep both is draining my savings. Another increase by APS would be terrible at this time.
Please do not allow this increase.

Please protect our ability to pay smaller bills if we use less electricity.

I'm asking you - as an elected official - to vote against raising our electrical costs at this time!

Thank you.

Sincerely,

Mark Combs
